Area Roads Voted Improvements

Eight Lemon Grove and Casa de Oro streets will receive improvements according to Third District Supervisor Robert C. Dent, following approval of a contract to the Daley Corporation for $117,765 by the Board of Supervisors.

The improvements in Supervisor Dent's area consist of placing up to a 2 inch overlay of asphaltic concrete over the existing surface on portions of the roads and streets.

Lemon Grove roads to be improved are Washington st., between Golden ave., and Imperial ave.; Watwood rd., between Deville dr. and N. Ely; Angelus ave., between Canton dr. and S. Ely; and University ave., between San Diego C. L. and La Mesa C. L.

Casa de Oro roads to receive improvement are Agua Dulce blvd., between Highway 94 and Madrid way; Ramona dr., between Casa de Oro blvd. and 0.29 miles Ely; Lomo Del Sur, between Estrella dr. and Remar pl.; and Mozelle ln.; between Lomo Del Sur and Estrella dr.

The improvement work, which is being funded by the San Diego County apportionment of the Highway Users' tax, is expected to commence about the middle of Sept. and be completed by the end of October.

Supervisor Dent indicated that this type of resurfacing is a part of a long-range road maintenance program which will significantly add to the useful life of the roadway and improve its riding qualities.

Written advance notice of the work will be given to residents of the streets affected and inconvenience to the public will be kept at a minium.

LEMON GROVE REVIEW

Vol. 20, No. 6 | Lemon Grove, California | Thursday, August 31, 1967 | Phone 469-0101 | Ten Cents

WELCOME ABOARD: Local store manager Fred Locke, left, and San Diego District Superintendent Robert Cox, welcome Mrs. Alma Longwell, 7555 Pacific ave., Lemon Grove, into the newly remodeled Coronet store, 7875 Broadway. The store, which reopened last Thursday, had been closed for over a month during the remodeling work.

Helicopter Pilot Describes Craft At Lemon Grove Men's Club Lunch

While he may admit that "the helicopter can't do everything," Lt. j.g. John Mc Minn does claim that "in Vietnam it is the going thing . . . for gunships, medevacs and other vital purposes." One thing for which the craft has proved invaluable is the rescue of Navy pilots downed in the jungles of North and South Vietnam.

Mc Minn spoke last Friday to the Lemon Grove men's Club. He described the history of the helicopter from the time it was first conceived by da Vinci in the 15th century through today's modern helicopters costing up to $2 million.

Mc Minn just returned from 7½ months of duty with a destroyer-based rescue team operating in North Vietnam's Gulf of Tonkin. During that time he piloted three rescue missions. Mc Minn's advice to club members considering flying helicopters was that "you'd better be sure you blow your nose or scratch your head before you take off" because once airborn helicopter pilots, unlike pilots of fixed-wing aircraft, use all their hands and feet to control the craft.

Like all Navy helicopter pilots, Mc Minn is also a trained fixed-wing pilot. During his early training he flew small fixed wing planes, similar to single-engined private crafts, and also completed six required arrested landings such as would be used aboard a carrier. He said, however, that he enjoys "flying at 500 feet much more than flying at 5,000 feet."

According to Mc Minn, "the helicopter has the highest accident rate of any plane — but it's also the safest." He cited the craft's complex flying technique, particularly during landing and take-off, as a prime reason for the high accident rate, but then explained its inherent safety features. "With a helicopter you can autorotate," he explained, "and use the inertia of the rotating blades to bring you down safely . . . I've never had an engine failure in any other type of aircraft," he continued, "but I've had one in a helicopter and landed safely . . . saving myself and a $2 million plane."

A native of Jenkintown, Pa., McMinn will remain in San Diego until January when he returns to Vietnam. He is attached to Helicopter Support Squadron 1 operating from Ream Field. On his next cruise he will fly plane-guard duty aboard a carrier to pick up pilots from the sea who may encounter problems during launching or landing aboard the carrier.

A STURDY SHAFT: George Sperla, left, new manager of the Village Liquor Store and Golf Shop, 7779 Broadway, Lemon Grove, gives a sales pitch for his fine line of golfing equipment to James Dorman, a local attorney. Sperla's combination store and shop opened last month in the community and is his first venture into the business world.

Debacle Saddens Fans

That 50-7 shellacking administered to the Chargers by the Los Angeles Rams Sunday in the taxpayers' multi-million stadium may be the blow that set sports in San Diego back a decade.

Many had come to believe that the finest stadium in the nation would house one of the finest teams in the nation. And maybe it did if you are a Ram fan.

With more than 46,000 watching each Sunday, the Chargers presented poor performances. The Rams meeting couldn't be classified as a game. There was nothing involved that spelled competition. The Rams had their way with the Chargers like a city slicker with a country girl on a midnight hayride.

The falling apart of the once vaunted Charger football team was a dismal sight to behold. People who sponsor nationwide telecasts will be calling for last year's reruns if they continue their present way. If the public didn't know Gillman was running the show Robert Strange McNamara might be suspect as manager with his no-win policy.

It is indeed sad to contemplate the fans who spent $10 a seat (club) and $2 for the parking lot battle, and the unhappy run they got for their money.

It is sad to contemplate Sid Gillman and the unhappiness he is having as his charges display record-setting ineptness.

It is sad to contemplate all those saloon owners who nailed down blocks of 50-yard line seats for the season when it appeared that Charger tickets would be hard to come by. At least four of them have been busy on the telephone during the week letting it be known that "good friends" could depend on them for good seats at the next Charger game.

In all, poor performances by our local team is producing more heartbreaks than we care to count.

Happiness is Not a Supervisor

You'd think the County Board of Supervisors, basking in the aura of a $3,500-a-year raise recently promised by the state with county money, would be as happy as a quintet of clams at high tide — but they're not.

A couple of them are feuding among themselves.

The feuders are Henry Boney and De Graff Austin. Austin charges that Boney instigated a move to study the structure of county government for political considerations.

Boney's response, according to the County News Association, was that he has not yet decided whether he will run for reelection next Spring — and probably won't come to grips with that decision for several months.

For whatever reasons the rest of the board had in mind, it tried to resolve the feud problem by naming both these men as the nucleus of the committee to determine if a committee should be formed to review the structure of county government.

Boney, Austin, together the county counsel and the chief administrative officer, are charged now with this responsibility and they are to report back to the board in September.

The idea is to see whether the public interest could best be served by appointing some county officials that are now being elected. If such a change is made, it would have to be done by a change in charter.

If there is to be a charter change, it would have to be voted upon by the electorate and probably leave any chosen department elective until the incumbent leaves the office.

Some of the officials who will be affected feel that the study accuses them of doing an unsatisfactory job. This isn't so, the board indicated.

The elected officials involved are District Attorney James Don Keller, Assessor E. C. Williams, County Clerk Bud James, Sheriff Joseph O'Connor, Tax Collector J. P. Rasmussen, Treasurer Delavan Dickson, and Recorder A. S. Gray.

Chief Administrator T. M. Heggland, an appointive official, said he believes the idea is a sound one. In his post as chief administrative officer, he is considered the chief advisor to the board of supervisors. So it is likely that the project will get an encouraging look from the committee regardless of the Boney-Austin feud.

Incidentally, the feud goes back a long way. It started when Boney first ran for office against David Bird of National City. Austin called Boney a "bare-foot wheeler-dealer from Texas."

Austin probably also considers Boney responsible for cut-

Lawyers Pick Yale For Judge

John A. Brady, president of the San Diego County Bar Association announced the results of the plebiscite which was conducted among the 973 voting members of the Association. In the balloting for the municipal court judgeship of the San Diego Judicial District to determine preference among 13 candidates who had filed, Dean E. Yale won the voting, followed by Carl E. Erickson and Paul V. Pierik.

In the contest for appointment to the El Cajon Municipal Court Judgeship, Thomas G. Duffy was the leader, followed by Robert J. Cooney and E. Stanley Conant. They were among candidates who had filed.

New Freeway Opens; More Const. Planned

A new 1.3 mile section of State Route 94 opened last Thursday. The project is the first unit of freeway completed east of Palm ave. It connects to Campo rd 0.3 mile east of Palm ave. and continues east to the vicinity of Conrad dr. Also included was an interchange at Bancroft dr. and westbound off and eastbound on-ramps of the future Kenwood dr. interchange.

Freeway plans for Route 94 freeway east to Avocado blvd. are complete and plans for the Palm ave. interchange are being completed.

The California Division of Highways will open bids September 28 for the construction of a two-lane roadway on 1.3 miles of new alignment on Highway 94. The area is between 2.9 miles east of Potrero Falley rd. at Potrero and 5.1 miles west of Campo Creek at Campo. The new alignment will eliminate a narrow, winding section of existing South 94, and could be completed by early 1968.

Final Registration Tomorrow For Three Local Dist. Highs

The Grossmont Union High School District advises any students who have not registered in an area high school to call the counseling office at his school by today or tomorrow.

Students are advised, in order to set up the best possible schedule for the 1967-68 school year, to call at the counseling offices during scheduled hours.

Lemon Grove and Spring Valley area high school students would attend one of three Grossmont District schools. They are: Monte Vista High, 3230 Sweetwater Springs blvd.; Mt. Miguel High, 1800 Sweetwater rd.; and Helix High, 7223 University ave., La Mesa.

Most of the 16,160 students of the Grossmont Union High School District are registered and programmed for classes which will open Monday, September 11.

Freshman Orientation Day is scheduled for Friday, Sept. 8, at all Grossmont Union High School District schools.

Freshman in the eight high schools in the district will attend classes for half a day in order to become acquainted with their respective schools and class schedules. All teachers and counselors will be on duty to welcome the new high school students for the coming year.

Mt. Miguel Graduate To Attend Occidental

John F. Winbury, a 1965 graduate of Mt. Miguel High School, will attend Occidental College in Los Angeles as a Sophomore this fall. Winbury, who lives at 1630 Dupont dr., Lemon Grove, attended San Diego State College during his freshman year. He plans to major in English and minor in art and aims at a teaching career.

Winbury has been invited to a September 8 party hosted by Mr. David A. Dorman of Mission Bay. The party is designed to introduce incoming freshman and transfer students to other undergraduates and alumni of Occidental.

Helix Job Pays $13,152

Nomination papers are available now for several elective posts at the Helix Irrigation District. The posts of three directors will be voted upon in November. One district encompasses Lemon Grove. Harry Griffin is present director of that division. Directors draw $25 a meeting and meet at least once a week.

The post of assessor collector-treasurer will be voted on in a district-wide election. This job pays $150 a month. The present official, Carl Mehle, who is retiring due to ill health, is also superintendent of the district's data processing. For the whole job he draws $13,152 a year.

Last week this publication listed his income as $9,000 a year — $4,152 less than he draws.

County Savings Bond Sales Up 16.4 Per Cent

San Diego County Savings Bonds Chairman Philip L. Gildred lauded Southern California industry's top management for its Payroll Savings Program in achieving $128,767,700 sales in U. S. Savings Bonds for the year-to-date in the eleven Southland Counties.

This is 5.3% increase over the seventh month period of last year.

San Diego County contributed $13,075,905 in sales for the January to August period. Gain for this County for this period was 16.4%.

This County's sales for July were $1,861,462. July sales for last year were $1,330,603.

Four Mt. Miguel Students Learn Yearbook Tips at USD Workshop

Eighty high school students from all of Southern California are currently attending an eleven day Yearbook Workshop on the University of San Diego campus. Four students from Mt. Miguel High School, Spring Valley, are included in the eighty enrolled. Host for the Workshop this year is the College for Men. Students attending this workshop from August 20-31 have been appointed to yearbook staff positions in their local high schools for the next school year and have been recommended by their advisors in order to attend.

The Mt. Miguel students are Kathy Shurtz, Nancie Siemasz, Julie Simpson, and Wally Schlotter.

Director, Lowell H. Plinke, states the primary objective of this workshop to be the promotion of education for greater creativity and competence in the production of high school yearbooks. Plinke, who has been yearbook advisor at Mt. Miguel High School for eight years, says this workshop is patterned after similar ones held successfully in Arizona for nine years.

Forms Ready Fire Job

Final filing date for applications for position of fireman on the Lemon Grove Fire Department is September 30, it was announced this week by Chief H. L. Hensley.

A new eligibility list is being established and application forms and qualification standards may be obtained at the Fire Station, 7853 Central ave., Lemon Grove beginning now.

State Freeways Saving Lives Says Committee

California's Freeway System has saved the lives of two Californians every day according to study made of the California Freeway Support Committee.

The life-saving record for the state's freeways during 1966 showed 56 deaths on conventional roads and steets for for every billion miles a motor vehicle traveled. Compare this with the figure for all freeways in the state which shows 26 deaths under the same mileage conditions.

The State Division of Highways estimates that some 800 lives are saved each and every year by the California freeway system. According to the report, injury and property damage accidents are even less common on freeways. Savings in accident costs attributable to freeway mileage amounted to about $215 million last year.

WORK COMPLETED: Spring Valley residents had their first chance to try out the 1.3 mile section of Highway 94 last Friday, following the opening of the improved roadway. The route connects Campo rd. and Conrad dr., and includes the intersections of Bancroft and Kenwoods drs. Future additions to the route are in the planning stages.

Miss Jordan is a graduate of Mt. Miguel High School and recently completed two years at Grossmont College. She will attend the University of Denver in September.

Her fiance is a graduate of St. Mary's High School in Cheyenne, Wyo., and 1st Classman at the Air Force Academy, Colorado Spring. He was a member of the USAF Honor Squadron, 1967 unit of 13th Squadron and Captain of the Boxing Team.

The engagement was announced recently at a dinner given in their honor, in the home of Mrs. Catherine Pettit of El-Cajon, maternal grandmother of Miss Jordan.

The wedding date has been set for June 22, 1968 in Lemon Grove.

Methodist Collegians Assisting Orphanage

The Collegian summer investment program at Skyline Wesleyan Methodist Church was utilized last Saturday. Approximately 25 collegians left the church, located at 1345 Skyline dr., Lemon Grove, at 9 a.m. for Baja, California.

These Collegians headed south to bring the Gospel, and some helping muscles to the Centro De Amparo Orphanage located 20 miles south of Ensendada. Besides daily vacation bible school, a bible study, crafts and sports program will be presented to the resident orphans. The muscles will be brought to bear on plumbing, and wallboard problems, also the entire compound area will be fenced.

This is the second year the collegians at Skyline have labored in behalf of the Mexican orphans. Under the leadership of Ted Bantis of La Mesa, much work was accomplished last summer and Bantis said he expects similiar results this year.

The collegians will be taking along a lot of goodwill, including a trailor load of canned food, some 100 blankets, and many of the tools that they will be using on the orphanage.

The following collegian are going on the Gospel Work Corp: Ted Bantis, Tom Hyer, John Dawsey, Gail O'Niel, Sharon Butcher, Connie Butcher,, Doug Domingo, Bill Barton, Pat Gosselin, Dave Szuch, Sandra Rusmiesell, Jim Baine, Joyce Taylor, Phil Wood, Al Parrish, Julie Porter, Dyan Domingo, Annette Lowe, Eileen Kurth, and Gloria Elliot.

The collegians will stay at the orphanage one week.

Mrs. Kathleen Shattuck

Monte Vista Graduate Weds Marine Reservist

The First Baptist Church of Spring Valley was the setting last Saturday for a double-ring ceremony, which united a young Spring Valley woman and a young La Mesa man in marriage.

The bride was the former Kathleen Louise Reid, daughter of Mr. and Mrs. Carl B. Reid, 3823 Pinto pl., Spring Valley. The groom was Donald E. Shattuck Jr., son of Mr. and Mrs. Donald E. Shattuck Sr., 9497 Ridgecrest dr., La Mesa. Rev. Robert Millspaugh pastor of the church, performed the ceremony and the bride was given in marriage by her father.

Maid of honor was Lynee Reid, sister of the bride; bridesmaids, Tanya Burak and Carlene Davis; junior bridesmaid, Marjorie Bell, cousin of the bride from Riverside. Flower girl was Susan Millspaugh, daughter of the pastor; best man was Jim Plummer; ushers, Ladd Graham and Rob Emerson; junior usher, Steven Reid, brother of the bride. Vocalist was Paula Haynes, and organist, Ed Austermeyer. Mrs. Carol Card, sister of the groom, had charge of the guest book. The reception for approximately 150 guests was held in the fellowship hall of the church.

The bride wore an A-line gown of candlelight satin, with appliqued lace and seed pearls, which carried a long train. Her tiara consisted of an elbow-length, orange blossom veil. She carried white roses.

The maid of honor and the flower girl wore gowns of mint green. The maid of honor carried button pom poms. The bridesmaids wore apricot colored gowns and also carried botton pom poms.

Many out-of-town guests attended, including the bride's 90-year old grandmother, Mrs. Martha Smith of Brea, Cal.; and the groom's 89-year old grandfather, J. E. Shattuck of San Diego.

The honeymoon took place "somewhere in California." The newlyweds plans to live in La Mesa.

The bride is a 1965 graduate of Monte Vista High School and has been employed at Mission Valley Center and attending Grossmont College, preparing for her teacher's credentials.

Mr. Shattuck is a 1961 graduate of El Capitan High School.

Woman's Service Club Makes 1967-68 Plans

The Lemon Grove Woman's Club will open the club year with a pot-luck luncheon on Friday, September 8th at 12 noon at the club house, 2810 Main st., Lemon Grove. Mrs. Hal Crow as chairman will be assisted by Mmes.; Luther Moore, Ashley Barnes and Terry Mead.

Next Tuesday the Garden Section of the club will have a pot-luck luncheon at the home of Mrs. H. L. Jenkins, 7771 Mt. Vernon st. Members are asked to bring a basket of fruit or vegetables grown during the summer to share with others.

The first board meeting will be held on Wednesday, Sept. 6 at 9 a.m. at the clubhouse. Mrs. Ralph Richardson, president, will preside.

The Literary section meets on the third Monday of the month with Mrs. Emmett Phares as chairman.

The Lemon Grove Woman's Club has been part of the community for 54 years, is a member of the General Federation of Woman's Clubs, has a very active Junior Woman's Club — an evening section called The Vogue Section, plus Garden and Literary sections, and a craft section. Newcomers to Lemon Grove are cordially invited to attend a meeting and may call the membership chairman, Mrs. J. E. Butler for information.

A desert card party is planned for Friday Sept. 29th.

Foothills Art Assn. Makes Workshop Plan

The new Foothills Art Association Board recently had its organizational meeting at the home of president, Mrs. Edward Brudno. Among items of business were plans for the Art Workshop to be held in Nebo Hall in La Mesa.

Mr. J. Roland McNary, chairman of Workshops announced he will conduct a class in fundamentals of landscape beginning September 11 from 10 a.m. to 2 p.m. A portrait class is also planned for Monday mornings from 9-12. All those interested may contact Mr. McNary for additional information at 442-2694.

The first fall meeting of the Art Association will be held at the Ben Pollock Memorial Fine Arts Gallery, 8053 University, La Mesa on Thursday, September 7 at 7.30 p.m. Mr. Julius Acevez will show two films. The first will show brilliantly executed watercolors by the well-known artists and teacher, Rex Brandt. The second is "The Abandoned Mill", a demonstration of oil landscape by Valdi S. Marjis, a color sound film, explaining each step of the painting.

New Director Arrives For S.D. Symphony

Zoltan Rozsnyai, new music director of the San Diego Symphony, arrived in San Diego last week with his wife and thirteen year old daughter.

Rozsnyai, who officially takes over his new duties September 1, flew to San Diego from the East Coast for two weeks to conduct auditions for the Symphony and to meet with the Symphony Association's Board of Directors.

Final plans for the fall season which will open November 16 in the Civic Theatre, are also to be made.

The new director will leave San Diego early in September to fulfill a recording commitment in Venica, Italy, returning in mid-October.

Square Eighters Host 'Hobo' Night

Square Eighters Square Dance Club will be hosts at a "Hobo" party this Friday at Carver Elementary School, 3251 Juanita st., at 8 p.m. There will be many prizes, and refreshments will be served after an evening of dancing to the lively calling of "Dashing" Dale Durbin.

Square Eighter Club members are busy making plans for their 12th Anniversary Dance, which will be held at the Pacific Beach Community Center, on October 14, 1967. All square dancers are invited to attend this gala, annual celebration.

Mr. and Mrs. Dave White

Local Collegians Wed Friday in Lemon Grove

A Lemon Grove and Spring Valley pair became united in marriage last Friday night, as Rita Sue Hopkins and David Spence White were wed in the Lemon Grove Church of Christ.

Rita, daughter of Mr. and Mrs. Ben J. Hopkins, 2514 West st., Lemon Grove, and David, son of Mr. and Mrs. Lloyd M. White, 10080 Cristobal dr., Spring Valley, are both attending Abilene Christian College. David has spent three years in the Army before coming to the Texas institution.

The bride's attendants were Bell Johnson, Kay Mangum, Mary Stein and Kathy Stanfield.

The best man and ushers for the groom were Ray Johnson, Larry Forrester, Tom Epperson and Ron Graves.

The couple left for a honeymoon trip that will encompass a sightseeing trip through Arizona, New Mexico and Texas, while stopping at the Grand Canyon.

The couple plan to reside in Abilene, Texas.

Fleet Reserve Club Attend Region Meet

A large number of members and wives of Fleet Reserve Branch 139 and Auxiliary, attended the 11th Southwest Regional Caucus at Chula Vista on Aug. 12 and 13. Hosted by Chula Vista Branch 61, the event took place in the Bay Shangri La.

A LOCAL HERO: Lt. Colonel E. B. Sigman, left, admires the Navy Commendation Medal of Captain James Matthews of Lemon Grove after being presented the honor by Colonel Donahue on the far right. Captain R. H. Cathill, chief air observer, watches the presentation. The commendation award, presented for Capt. Matthew's exceptional airmanship and courage in Vietnam was given on behalf of Major General Robertson.

Local Flier Receives Navy Combat Commendation Medal

DA NANG, VIETNAM — "We flew in low enough to see the enemy running in all directions for cover," said Captain James M. Matthews, 27, son of Mr. and Mrs. James M. Matthews, Lemon Grove, as he pointed out the events that earned him the Navy Commendation Medal with Combat "V".

The Naval Aerial Observer was presented the decoration for exceptional airmanship and courage by Colonel Joseph F. Donahoe, Falls Church, Va., commanding officer, Headquarters Battalion, First Marine Division, August 4, at the battalion's command post near Da Nang.

"A reconnaissance team gave us a call reporting that aircraft had been receiving ground fire from an area a short distance away," said Captain Matthews.

Arriving over the target in an area 37 miles south of Chu Lai, his O1-C "bird dog" observation plane received heavy enemy small arms fire.

"Radioing for air support, we dropped down for a closer look at the built-up area. There were Charlie (enemy) all over the place," he said.

Braving the continuous ground fire, he requested his pilot to fly at extremely low altitudes so he could mark the enemy positions.

Remaining on station, he controlled the air strikes which accounted for five enemy killed, three weapons positions and twenty-four structures destroyed with nine structure damaged.

"After it was all over, the reconnaissance team went into the area to give us a report on damages," he said. "We had received a lot of fire during the action but weren't hit."

Captain Matthews received the commendation medal the day before he returned to the U. S. after serving 13 months in Vietnam. He logged 442 missions as an aerial observer earning 22 air medals.

Rheumatic fever is one of the most frequent causes of heart disease, reports the Heart Association.

WITH OUR ARMED FORCES

PVT. IVES

CAMP PENDLETON, CALIF. — Marine Private Christen R. Ives, son of Mrs. Claudine N. Ives, of 10707 Jamacha blvd., Spring Valley, has completed four weeks of individual combat training at this Marine Corps Base.

During his more tha 200 hours of training, he learned about weapons and combat techniques from combat veteran instructors. They taught him how to conduct combat patrols, detect and remove mines and booby traps and use the standard Marine Corps infantry weapons.

He will now receive at least four weeks of specialist training before being assigned to his first permanent unit. Marines going to combat units will get detailed training in the particular combat skill they are designated for. Those who are going into technical fields will receive their advanced training at one of a variety of technical schools throughout the country.

PVT. HURT

CAMP LEJEUNE, N.C. — Marine Private Rodney K. Hurst, son of Mr. and Mrs. Robert C. Hurt, of 544 Parkbrook st., Spring Valley, has completed four weeks of individual combat training at this Marine Corps Base.

During his more than 200 hours of training, he learned about weapons and combat techniques from combat veteran instructors. They taught him how to conduct combat patrols, detect and remove mines and booby traps and use the standard Marine Corps infantry weapons.

He will now receive at least four weeks of specialist training before being assigned to his first permanent unit. Marines going to combat units will get detailed training in the particular combat skill they are designated for. Those who are going into technical fields will receive their advanced training at one of a variety of technical schools throughout the country.

MAJOR LITTLE

FT. LEAVENWORTH, KAN. — Army Reserve Major Kenneth K. Little Jr., whose parents live at 8149 Golden ave., Lemon Grove, graduated from the Mobilization General Staff Officer Course at the Command and General Staff College (CGSC) Aug. 12 at Ft. Leavenworth, Kan.

The mobilization course is a new option available to Reserve component officers. By completing the resident portion of the course, which is divided into two phases of four weeks each, a Reserve officer not on active duty can obtain a CGSC diploma — a prerequisite for promotion to colonel and general officer ranks.

The speaker at the graduation was Lieutenant General Charles W. G. Rich, chief of the office of Reserve components, Department of the Army.

Major Little received his commission through the Reserve Officers' Training Corps program. He received his B.S. degree in 1949 and he attended San Diego State College and the University of California at Berkeley.

His wife, Mary, lives at 8781 Dalewood ave., San Diego.

MACHINIST MARTENSON

MEMPHIS, TENN. — Aviation Machinist Mate Jerry W. Martenson, USN, son of Mr. and Mrs. Arthur W. Martinson Jr., of 2474 Paraiso st., Spring Valley, was graduated as honorman from the Aviation Machinist's Mate (Reciprocating) Courst at the Naval Air Technical Training Center, Memphis, Tenn.

He was the leading man in a class of thirty with an academic average of 90.60.

During the eight week course he received instruction in aircraft engines, ground starting operations and the preparation of aircraft for safe flight. The curriculum included inspection and repair of the engine and its accessories.

Prior to entrance to this school he attended a two week course in Aviation Familiarization and a four week course in Mechanical Fundamentals.

Before entering the service in December 1966, Aviation Machinist Mate Martenson attended Grossmont College in El Cajon, Calif.

BOATSWAIN JORDAN

SAN DIEGO — Boatswain's Mate Second Class Thomas T. Jordan, USN, son of Mr. C. C. Jordan, of E. Hays, Palisne, Tex., and husband of the former Miss Carolyn S. Allen, of 756 Carlsbad st., Spring Valley, is in San Diego, Calif., serving at the U. S. Naval Station.

He will assist in carrying out the Naval Station's role of providing logistic support to the operating forces of the U. S. Navy.

In addition to being the homeport for many ships of the Pacific Fleet, the Naval Station contains a fleet training center and several service schools.

The Naval Station was established in 1919 as a docking and fleet repair Base. In 1922, it became a naval destroyer base and remained this until 1943, when it was changed to a naval repair base. In 1946, the base was officially redesignated as a naval station.

AIRMAN LEONE

USS DULUTH — Airman Joseph P. Leone, USN, son of Mr. and Mrs. Joseph J. Leone, of 1731 Colfax dr., Lemon Grove, helped to land a battalion of Marines inland about 20 miles north of Da Nang, Vietnam, as a crewman aboard the amphibious transport dock USS Duluth.

Operating with four other amphibious transport ships which made up Amphibious Ready Group "Alpha," the Duluth took part in operation "Beacon Guide" and put Leathernecks of the First Battalion, Third Marine Regiment (1/3) into the coast plains of Thua Thien Province.

At the conclusion of "Beacon Guide" which lasted nine days, the ships of "Alpha" responded to a request for reinforcements from Marines operating near the Demilitarized Zone (DMZ), by transporting all of 1/3 and its equipment to that area within 10 hours. At the DMZ, 1/3 served as a standby force, and no landing was made.

DENNIS JOHNSON

U.S. AIR FORCE ACADEMY, Colo. — Dennis L. Johnson, son of Major and Mrs. Arthur E. Johnson, of 1412 Cornwall st., Spring Valley, has been promoted to first lieutenant in the U.S. Air Force.

Lieutenant Johnson is an instructor of physiology at the U.S. Air Force Academy, Colo.

The lieutenant, a graduate of Knob Noster (Mo.) High School, received his B. S. and M. S. degrees from San Diego State College and was commissioned there in 1963 upon completion of the Air Force Reserve Officers Training Corps program. He earned his Ph. D. degree from the University of California at Santa Barbara.

His wife, Carolyn, is the daughter of Mr. and Mrs. John A. Smith, of 222 Sea Vale st., Chula Vista, Calif.

PVT. REESE

CAMP PENDLETON, CALIF. — Marine Private Kenneth W. Reese, brother of Mr. Kevin B. Reese of 3871 Spring dr., Spring Valley, has completed four weeks of individual combat training at this Marine Corps Base.

During his more than 200 hours of training, he learned about weapons and combat techniques from combat veteran instructors. They taught him how to conduct combat patrols, detect and remove mines and booby traps and use the standard Marine Corps infantry weapons.

He will now receive at least four weeks of specialist training before being assigned to his first permanent unit. Lee Robinson, Spring Valley Driver, To Compete in Sprint Race at Cajon

The first C.R.A. big car sprint race at Cajon Speedway this Sunday at 8 p.m. looms as a battle between drivers that have raced on the track before in modified sportsmen and a large field of new faces.

For the return group, 11 out of the top 20 Drivers have raced on the 3/8 mile banked oval before. Leading the group is top man Billy Wilkerson of El Monte, and in third place is local Lee Robinson of Spring Valley. Names that will be remembered by local fans are. Bob Hogle, Buena Park; Jay East, Colton; Bob McCoy, San Diego; Hank Henry, Escondido; Tink Elenburg, El Monte; Les Crawford, San Diego; Dick Zimmerman, Buena Park and Jimmy Oskie of Maywood.

Local fans will have a chance to see the great Offenhauser engine work over the slants of Cajons banked asphalt turns. Four are listed on the C.R.A. roster with Bob Hogle, Dick Fries, Walt Kennedy and Ivan Newlin set to turn the wheel.

Qualifying for an expected 40 cars will get under way at 6:30 p.m. with trophy dash time set for 8. A full program of 8 events with a 15 lap semi and a 30 lap main event for the Big Sprint cars on Sunday night.

A large field of cars are expected as this will be a 3 race week-end in Southern California for the sprints. Saturday they go at Rivergrade speedway in Irwindale, Sunday at Cajon in San Diego and Monday at Ascot in Los Angeles.

The sprint feature the pointed tails and the lack of roll bars on their frames. With no protection when they roll they are considered the most dangerous cars to drive on the West Coast. Only top pros will get behind the wheel of this type of racing car. Their insurance rate is almost double of any other cars racing on the oval and this includes the figure 8.

With the open rules on engines it is expected that many of the track records at Cajon will be up for grabs come Sunday night. These boys pride themselves on holding records and will be going all out on a new race track.

The big holiday 100 lap super stock car go Saturday night at Cajon Speedway is sure to be a struggle between new point leader Tex Kimbrell of Imperial Beach and Vance Butler of La Cresta.

Record Breaking Pumpkin Missing

If you see someone burdened by a 110-pound pumpkin, chances are that it was taken from the property of Morris Nunez, 9221 Cathay circle, Spring Valley.

Nunez, who annually raises just about the biggest pumpkin in the county, said that the pumpkin was taken late last week. He was attempting to grow one larger than the 116 1/4 pound record breaker he grew last summer. The one taken was still growing and would have surpassed last year's in weight by two or three pounds, Nunez said.

He has several left in the 75-80 pound stage.

Nunez is employed by Hunter's Nursery on Sweetwater rd.

Editor Is Speaker

The Moose Lodge Auxiliary will learn the finer points of newspaper publicity acquisition Tuesday when Max Goodwin, local editor-publisher, is speaker at its 7:30 p.m. meeting.

Goodwin is publisher of the Lemon Grove Review and Spring Valley Bulletin.

The program will be presented at the Moose Lodge in Lemon Grove at 7375 Broadway.

Heartland Swim School Opens September 6

Heartland's YMCA's 3rd Annual Fall Swim Course opens Sept. 6. All classes will be held at the Turquoise Swim School's heated out-door pool on Millar st., El Cajon.

Instruction is provided for children of all ages, one and one half years and up. Children under five years of age are in classes of five to an instructor. Ages five and over there are ten to a class.

All instruction is progressive and follows the Red Cross and National YMCA aquatic testing program.

There will be two schools of eight sessions each. The first starts Sept. 6 and the second starts Oct. 4. Those attending both schools will be treated to a big splash party with races and a coin scramble.

Local Stars In Breitbard Football Tilt

The County All-Stars parlayed the passing of Grossmont's Brian Sipe and a rugged defense to down the City 13-7, August 24, at Balboa Stadium.

The victory was the second straight for the County in the 19th annual College-Prep tilt and evened the series at 2-2 with the City in the Breitbard Athletic Foundation-sponsored event.

Defensive safety John Young of Helix was voted the most valuable player award in the game as he spearheaded a County defense which contained the City until the fourth quarter.

Hardison's Telespanish

A word which describes Mexico City today is "actividad." Walking down the main "Paseo" (Boulevard), one sees workers "limpiando" (cleaning) and "puliendo" (polishing) almost everything in sight. Even the monument of Independence, "El Angel" (The Angel) is receiving a scrubbing and a new set of marble steps.

When one asks "Porque tanta actividad?" (Why so much activity?) the response is "Estamos preparando para Las Olimpiadas." (We are preparing for the Olympics.)

Other Boulevard statues starting to shine are "Carlos IV" and "Montezuma." Their luster brings a sheen worthy of these leaders of days-gone-by when no one would ever guess that "Las Olimpiadas" would be in Mexico.

Most outstanding structure to undergo the pressure of steel wool is the dome of the "Palacio de Bellas Artes" (House of Fine Arts). It looks as shiny as a new copper penny.

One can only have "admiracion" (admiration) for "Nuestros amigos" (our friends) to the south and I am sure we all wish them "Buena suerte!" (Good luck) with the 1968 Olympics.

The practice phrases below describe some of the preparation activity for the Olympics to be held in Mexico. Read them over and pronounce them from the phonetic guide provided. Then dial 276-2762 where you may continue to practice the same phrases with the automatic recording.

IMPORTANT PHRASES

Say "Estan puliendo." (eh-STAHN pool-lee-EHN-doh)

Re Construction of a Sanitary Sewer System in ZEMCO DRIVE, et al, in the Vicinity of LEMON GROVE, in the Unincorporated Area of the County of San Diego, Area No. 210

RESOLUTION OF INTENTION

On motion of Supervisor Gibson, seconded by Supervisor Austin, the following resolution is adopted:

WHEREAS, this Board of Supervisors heretofore designated the Director of Special District Services of the County of San Diego as the Superintendent of Streets and the Engineer to perform any and all duties conferred upon the Superintendent of Streets or the Engineer by the Improvement Act of 1911 in connection with the work and improvement and assessment hereinafter described; and

WHEREAS, the Engineer has furnished to this Board of Supervisors plans and specifications for the construction of a sanitary sewer system in a portion of the unincorporated area of the County of San Diego, together with careful estimates of the costs and expenses of such construction, which are on file in the office of the Clerk of the said Board of Supervisors; NOW THEREFORE,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Supervisors of the County of San Diego (hereinafter referred to as the Board of Supervisors) to order the following work to be done and improvement to be made in the unincorporated area of the County of San Diego, to wit:

The acquisition of easements and rights of way for the hereinafter described sewers, manholes and appurtenances;

The construction of sewers, manholes and appurtenances in rights of way, including public streets, as shown on the "Map of Assessment District" recorded in the Office of the San Diego County Recorder as Document No. 121796, on August 15, 1967, and as shown on the following copy of said "Map of Assessment District":

All of the said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 391188, on file in the office of the Clerk of said Board of Supervisors and copies of which are on file in the office of said Engineer, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Supervisors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50) or more remaining unpaid after the last date for payment of assessments, as specified in the statement provided by Section 5390 of the Streets and Highways Code of the State of California. Said statement shall be mailed to each property owner within the assessment district at least thirty (30) days prior to the last date for payment of assessments. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September first following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next September first after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent (6%) per annum, interest payable semi-annually, by coupon, on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall provide that if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five percent (5%) of the unmatured principal shall be paid. Said bonds shall be issued and the principal, interest and premium shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary benefit to the public and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district as shown upon that certain map bearing Improvement Act Area No. 210 indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of Supervisors of the County of San Diego as Document No. 391189, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the map for a full and complete description of the assessment district and the map shall govern for all details as to the extent of the assessment district.

The said Board of Supervisors has heretofore directed the Superintendent of Streets in accordance with Section 5254.5 of the Streets and Highways Code to include in the contract a provision for liquidated damages in case the work called for under the contract is not completed within the time limit as prescribed by the specifications and contract (or such extension of time as may be granted by said Board), and has fixed the sum of $50.00 per day for each and every calendar day's delay in completing the work in excess of the number of calendar days prescribed.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 19th day of September, 1967, at 11:00 o'clock a.m., in the chamber of the Board of Supervisors of the County of San Diego, Room 310, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 306 of said San Diego County Administration Center, not later than the hour hereinabove set for hearing. No other protests or objections will be considered. If the person signing the protest is not the owner shown on the last equalized assessment roll, the protest must contain, or be accompanied by, written evidence that such signer is the owner of the property .

The Clerk of this Board of Supervisors is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to said Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of this Board of Supervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet (300') in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911" and amendments thereto.

PASSED AND ADOPTED by not less than a four-fifths vote of all members of the Board of Supervisors of the County of San Diego, State of California, this 15th day of August, 1967, by the following vote:

A NEW HOME: Dr. Lloyd Adams and Dr. Amorita Treganza, husband and wife, unlock the doors to their new optometrist's office at 7898 Broadway, Lemon Grove, last week. At the right is Patricia Parker, office manager and receptionist and Pattie Barr, vision training assistant to Dr. Treganza. The office was moved from its location at 3415 Imperial. The couple also had an office in the Bank of America building downtown for 20 years.

The Dimmer View

(continued from page 1)

ting up Austin's district and adding National City to it.

Why Austin is so upset is not readily apparent because he is 72 years old and has already announced in an open meeting of the board that he would not attempt to be re-elected.

And speaking of open meetings, County Clerk Bud James, who should know better, asked that the committee meet informally with himself and the other six office holders before making any decision.

The board, said Chairman Robert Cozens, would not meet with James or anyone else with a quorum present except in an open meeting.

The county clerk's office is one of the elective offices that Boney proposed to make appointive.

Any way you look at it, it's going to be quite a clam-bake before the season is over.

"MIGRAINE"

Headaches that persist or reoccur frequently are danger signals that something is amiss. Masking the pain with aspirin or pain killers may seem an easy way for relief, however, if the trouble is not corrected, related symptoms be gin to appear. Usually the headaches that used to present themselves in different areas begin to localize in one area or one side of the head, and the patient's illness is diagnosed as migraine. After extensive examination for tumors past fractures and what have you, the patient begins to believe it. If more people knew about the effectiveness of Specific Chiropractic, I truly believe Bayer would have to start making hair tonic or paint. Don't ever forget that for every effect there must be a cause. Remove the cause and you have no headaches.

"NERVES"

"It's just my nerves, I've always been this way." So many patients offer this complaint to their doctors, and receive sedation and tranquilizers for their complaints. So many have to lean on alcohol just to take the edge off. This is like putting out the fire with oil. In practically all cases the hidden cause is one specific pressure point at the base of the skull, in the neck. And when scientifically corrected, these patients regain a new life. Just a word of encouragement to those of you whose sleep is not normal, who are tense, or irritable, who are envious of relaxed or easy going individuals. There is a definite cause for your condition and regardless of how you treat this condition until the cause is removed you still have "Nerves." Regardless of what your ailment is called . . no matter how long you have suffered . . . Chiropractic care may be the exact answer to your specific health problem . Chiropractic succeeds many times after all other methods have failed.

Two Area Collegians To Study Overseas

Four Heartland students enrolled at San Diego State this fall will study overseas in an international studies program of the California State Colleges.

Those in the program and where they will study are: Virginia Battenfield, 24, a graduate student, French major, University of Aix-Marseille, France. She resides at 7309 Carmenita rd., Lemon Grove. She was graduated from San Diego State in June, 1965.

Robert Carlton, 20, a senior German major, University of Heidelberg, Germany. He will spend his second year attending classes at the University. He is the son of Mr. and Mrs. Robert B. Carlton Sr., 1073 Merritt dr., El Cajon.

Katherine J., Doran, 20, a German major, University of Heidelberg. She is the daughter of Mr. and Mrs. Daniel O. Doran, 9525 Barbic lane, Spring Valley.

Diana R. Rakestraw, 23, a graduate student, earning a secondary teaching credential in Spanish, University of Madrid, Spain. She was graduated from San Diego State in June, 1966. She resides at 4560 Dana dr., La Mesa.

They will leave August 31 to attend universities in Germany, France and Spain. They will share dormitories with the host students to avoid being grouped into strictly "American colonies."

Students are enrolled simultaneously in San Diego State and the foreign university and courses taken abroad are incorporated into their regular college curriculum.

The local students were selected from the senior and graduate levels and will pay between $1,880 and $2,380 for a full academic year of expenses for room, board and round-trip transportation. Cost to the state is not greater than if the student had attend San Diego State here.

This is the fifth year of the international studies program. Other universities open to students in the program are the National University in Taiwan, Formosa; University of Florence, Italy; Free University of Berlin, Germany; University of Uppsala, and University of Stockholm, Sweden; University of Granada, Spain; and the Waseda University, Tokyo,, Jajan.

There are no overseas branches of State Colleges.

Valley Girls Band to Play North Island

"The Flowers" an all-girl rock-and-roll band composed of four Spring Valley and a San Diego girl are currently making the tour of Naval Station clubs around the San Diego area.

The band, formed three months ago by leader Anne Reis, appeared on the Sun-Up Show on Channel 8 last Tuesday and their next big engagement is scheduled for the EM Club at the North Island Naval Base during the month of October.

Other band members from the Spring Valley area are Rosemary Averna, 8894 Jaylee ave., Jo Anne Meglich, 8147 Dorchester, and Debbie Pershy. The fifth band member is Pat O'Connor of San Diego.

The band is seeking other engagements. For information call Miss Reis at 465-7462.
